Principal's Award

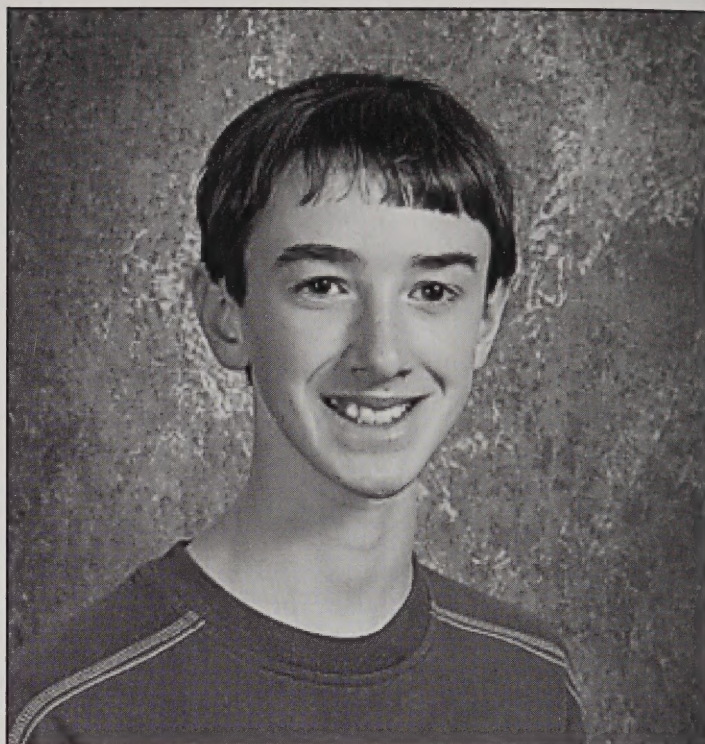

Nick Cormier

The Principal's Award is presented in June to the eighth grade student who is deemed by the faculty and staff to have been the most outstanding during their two years at Agawam Junior High School. The faculty bases its decision on the fact that the student is well liked by other students and staff and has demonstrated the following:

- Good Conduct
- Good School Spirit
- Helpfulness and Cooperation
- Involvement in School Activities
- Contribution to School and Community
- Trustworthiness, Reliability, and Promptness
- Respectful Attitude Toward People and Property

The recipient of this year's award is Nick Cormier.

Nick is an outstanding honor roll student who is involved in many school, extra-curricular, church, and community activities. To say that Nick excels in all that he does would be an understatement. He has displayed a maturity that goes well beyond his fourteen years.

Aside from being an honor roll student at the junior high over the past two years, Nick has been actively involved in several clubs. He is a member of the Chess Club and Writer's Club, while also serving as a Peer Mediator and Student Cadre. It is not uncommon to see Nick's smiling face holding the door for an injured student or helping them operate the elevator.

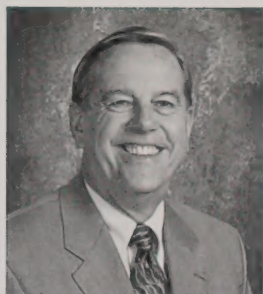

Outside of school Nick seems to have found a love for music. He has played the piano since he was two and as of 2006 also began playing the cello. He belongs to the Praise Team at his church for which he plays the keyboard during worship services.

As if that isn't enough to occupy most of his time, this young entrepreneur has had his own business for the past three years. Nick is the CEO, President and sole employee of "Nick's Lawn Mowing" of which the motto is "Stripes are my Specialty". It wouldn't be surprising to see him one day grace the cover of "Fortune 500"!

Nick also has many community ties. He is a member of Boy Scout Troop 185 in Agawam and serves as a Senior Patrol Leader and Chaplain's Aide. He has reached the level of Star Scout. Additionally, he belongs to the Society for Creative Anachronism which is a medieval group that learns about the history of that time period.

Who would think that Nick would have any time for hobbies but when he does get the chance, he also enjoys skiing, cooking, and helping his mother take care of all the house plants. Without question Nick is not only deserving of this award, but is almost "too good to be true". He is a top notch student and person who is well liked and respected by all. It is safe to say that the future holds many wonderful things for Nick Cormier!

Color Your Future Bright

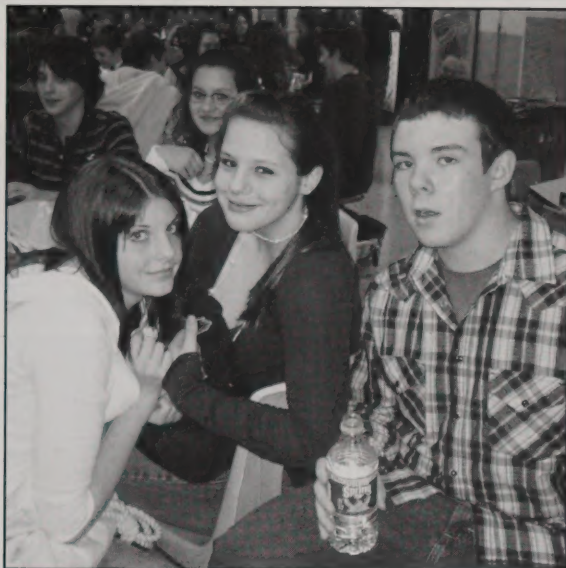

Color Your Future Bright
Even through the "black"est night
Be "red"y to seize opportunities that await
Only you can control your fate.

Paint your way with determination and grit
And success you will find bit by bit
Challenges may come out of the "blue"
But hold your head up and start anew.

Use your potential to shine like the "gold"est star
And in life you will certainly go far
Remember there's a "silver" lining for every cloud
Stick to your goals and you will always be proud.

A blank canvas is left for you to create
A lifetime of achievement upon your slate
Reach for the sky, soar to new heights
And you will Color Your Future Bright!
